Amber Heard was opposed to a pool camera in the courtroom during the US trial. Johnny Depp supported having a pool camera in the courtroom during the US trial. He wants transparency. Ms. Heard doesn't. Why? As Mr. Chew put it so eloquently: "Heard lies."

This latest attempt for secrecy plays right into her recent stipulation that Johnny can't refer to AQ2 in anyway during the trial

1 C. [WBEI's Letter](#)
2 On or about February 3, 2022, counsel for WBEI sent counsel for Mr. Depp and for Ms.
3 Heard, by simultaneous email, a letter, stating, in part, as follows:
4 To avoid the substantial burden of a WBEI deposition, whose
5 employees are still largely working remotely because of the
6 continuing COVID-19 pandemic, WBEI is willing to serve the
7 parties with a sworn declaration setting forth the following facts:
8 • Any delay in WBEI picking up Heard's option for *Aquaman 2* was
9 due to creative issues in casting Heard in the role of Mera for
10 *Aquaman 2*, which were communicated to Heard's agent at the time.
11 • Any delay in WBEI picking up Heard's option for *Aquaman 2* was
not due to Heard's dispute with Depp or any of the allegations in
this lawsuit.
• WBEI would not have paid Heard more money on *Aquaman 2*,
even if Heard had had more time to attempt to negotiate.

Amber Heard is desperate. Good. Which means Rocky Pennington is probably eating her prayer beads at this point. Rocky is the lynchpin of this case. Break her and it all falls. Rocky, Rocky, Rocky. AH will never tell the truth. Rocky is the key.
